

Our school

Since 1885, Hattemer, a private and secular school, pays particular attention to the **personal development of its pupils and to the mastery of knowledge and skills**. Established 130 years ago, Hattemer welcomes kindergarten and elementary school children in small classes, using **a unique French-language learning method**.

Generations of children of all origins have learned using the Hattemer method. **The school's famous alumni** include Jacques Chirac, Brigitte Bardot, Aga Khan IV, Emperor Bao-Dai, Jean-Paul Sartre and Françoise Sagan.

With this recognition and experience, this year Hattemer inaugurates its summer programme for learning **French as a Foreign Language (FFL)**. Our school is in one of the most beautiful districts of central Paris, **at 43, rue Descamps in the 16th arrondissement**. Located near the Eiffel Tower, this prestigious residential area also owes its fame to its Jardin d'Acclimatation, the Louis Vuitton Foundation and the Palais de Tokyo.

Our programme

We offer a French as a Foreign Language (FFL) programme for non-francophone and non-native students aged 6 to 11 from all levels of French (beginner to advanced) in the summer 2018.

Focused on oral expression and socialisation, this programme will allow your children to improve their French language in a stimulating and playful environment.

You can choose between **1 to 4 weeks from Monday 02 to Friday 27 July 2018.**

Every morning, the pupils will take French as a Foreign Language classes in our school in Paris's 16th arrondissement. Since this learning approach also involves an introduction to French culture, excursions will be organized every afternoon to places such as the Eiffel Tower, the Louvre Museum, the Arc de Triomphe, the Musée de l'Homme. A bus will be provided to our students for the trips in Paris.
